

# INDIVIDUAL TEAM SPONSORSHIP | \$10,000 MAKES A DIFFERENCE

## HOW YOU CAN HELP

Co-Sponsor a diverse team of 10-12 corps members as they dedicate a year of their lives to serve under-resourced communities by keeping kids on track to graduate high school. Your donation will allow you to observe and track the impact you are making on a team of corps members and their students in a New York City School. An Individual Team Sponsorship donation will allow you to impact at least 630 students school-wide and 180 of them will receive targeted 1-on-1 support.

## BENEFITS OF INDIVIDUAL TEAM SPONSORSHIP

Engage your City Year team in meaningful ways.

- Host a lunch or a dinner for your team at your home or at the home of one of your fellow co-sponsors.
- Support your team's professional development by being a guest speaker, hosting a specific professional training (resume writing, interview skills, etc.), or by donating your office space for a team retreat.
- Be a connector for your team: connect them to helpful contacts as they explore their post-City Year career interests.

Be engaged by your City Year team in meaningful ways.

- Receive invitations from your team to school tours and events.
- Receive quarterly messages and updates from your team (i.e. impact stats that demonstrate your team's progress, thank you cards from students and teachers, written corps member testimonials).

## OTHER BENEFITS

- Serve alongside your team at our annual friends and family service day.
- Two tickets to our annual Ripples of Hope Dinner.
- VIP seating at Opening Day and Graduation.
- Feature in City Year's monthly e-newsletter and blog.
- Special recognition in City Year promotional materials.

## INVESTMENT MODELS

- Co-Sponsor a team with a group of friends, co-workers, or matching funds from your company.
- City Year can pair you with a group of donors to create a team sponsorship.
- Flexible annual commitment or multi-year commitment to ensure your teams long term sustainability.
